

### Rotation of featured articles:

Articles posted on *ECM Connection* remain in our searchable content archive. We also feature select articles on our home page and in our e-mail newsletters. Articles in the Featured Articles section of the home page rotate on a biweekly basis. Articles in the Featured Articles section of the newsletter rotate on a weekly basis.

### Types of featured articles:

We review and post the following submitted content: white papers, case studies, market reports, trends analyses, guest opinion pieces, and best practices guidelines. These articles come from a range of sources within the ECM community, including analysts, end users, and vendor companies.

### Contributing Editor feature on ECM Connection:

Guest expert articles provide an outlet for executives from an industry to share their views on market technologies and trends related to the decision-making concerns of actual buyers and end users.

### Topic-Specific newsletters:

*ECM Connection produces two newsletters per week, including a topic-specific edition that is delivered every Thursday.*

### ECM Industry Shows:

*ECM Connection will cover industry shows with the latest event news and happenings. These shows can include AIIM, ITEX, TAWPI, ARMA, and many more.*
