Dear Kirk:

Thank you for your dedication to the Intermec sponsorship on VertMarkets. The mission of VertMarkets to provide buyers of information technology products with answers to hardware, software, and application questions about bar coding, mobile computing, RFID, supply chain data collection and wireless solutions make your sites the perfect fit for Intermec.

The many lead generating and editorial exposure opportunities that VertMarkets offer sponsors are outstanding. In addition to expanding our e-newsletter subscriber base, we have increased attendance at Intermec conferences and technology webinars.

Finally, the quality of service that VertMarkets offers is exceptional. As our account manager you have taken the time to learn our company and recommend valuable opportunities for portal, newsletter and tradeshow sponsorships. In addition, you are always willing to brainstorm new ideas and opportunities to help us achieve our goals. We look forward to continuing our relationship VertMarkets.

Sincerely,

*Maureen Szlemp*
