Kirk Jackson  
Sr. Account Manager  
VertMarkets IT Group

Dear Kirk,

On behalf of Printronix, I'd like to thank you for the excellent service you've provided us this year. VertMarkets has been a valuable marketing vehicle for Printronix. The depth and breadth of information we are able to deliver through your RFID Solutions site gives us considerable exposure to potential customers that otherwise might not be aware of our products and services.

In addition, we've been impressed not only with the volume of leads we've received through VertMarkets, but the quality. We currently have 4 opportunities in the pipeline we are working directly with that could result in new business.

It has been a pleasure to work with you. Your dedication to our account and the Printronix Demand Generation Team, along with the solid business leads, has proven to us that we made the right decision to partner with VertMarkets.

Sincerely,

Brad Callahan
