

Editorial Submissions

Data Storage Connection accepts press releases, white papers, case studies, market reports, trends analyses, guest columns, best practices guidelines, and other content for consideration. Vendor companies, analysts, end users, associations, educational institutions, and other members of the industry are invited to participate. Please send submissions to editor@datastorageconnection.com for review. Content accepted for publication will appear on the Data Storage Connection home page and may also be featured in our weekly e-mail newsletter.

Guest Column Series

Data Storage Connection guest columns provide industry experts with outlets to share their views on market technologies and trends. Current columnists include Jon Toigo, Jerome Wendt, Panos Hawandjian, and others. If you are interested in becoming a Data Storage Connection guest columnist, please contact the editor at editor@datastorageconnection.com.
